

## Advertise with Us

The hobby farming market is hot. There are more hobby farmers than ever, both in terms of the number of people hobby farming and the percentage of U.S. households owning pets. Use of the Internet for hobby farming-related information has grown steadily during the last several years. The convergence of the growing hobby farming market and use of the Internet is why your advertising dollars should be spent with HobbyFarms.com

Advertising opportunities are available throughout HobbyFarms.com: HobbyFarms.com connects hobby farmers with the farming products, services and resources on the market. We're backed by the biggest names in hobby farming publications, Hobby Farms and Hobby Farm Home. HobbyFarms.com offers advertisers the opportunity to promote their products and services to the nation's most devoted hobby farmers.

Sponsorships are available for specialized areas on HobbyFarms.com, including: Photo gallery, Community, Contests, Poll, Survey, Specialized content areas

Multi-channel advertising provides reach beyond the hobby farming category. For example, ads can be placed in any of the following six pet-related channel websites to reach other pet and animal owners:

DogChannel, CatChannel, BirdChannel, FishChannel, HorseChannel, ReptileChannel, SmallAnimalChannel
