This recipe--good enough for you and family--is one you can definitely enjoy with your dog on a Friday night.

Try not to fight too much over that last piece of turkey pizza.

Ingredients ¼ cup turkey broth (low-sodium) Pre-made pizza dough 1 cup diced cooked turkey ½ cup finely chopped spinach
1 cup grated mozzarella cheese ¼ cup sesame seeds

Preparation Preheat the oven to 375 degrees. Pour the turkey broth over the pizza dough. Sprinkle the turkey, spinach, cheese and sesame seeds on top. Place on a greased pizza sheet and bake for 12 to 15 minutes. Enjoy your slice while it is warm, but let the slice for your dog cool before service.
