

Holiday Place Settings

Use pinecones from your backyard to create place settings for your holiday dinner table.

If you need the perfect holiday place setting, look no farther than your backyard. Pinecones are the perfect crafting material, allowing you to incorporate the rustic ambiance of your farm with a touch of holiday elegance.

Making these holiday place settings is easy and offers an affordable way for you to express your creativity. In a matter of minutes, you can have a holiday table that sparkles. Or, turn the craft into a fun-filled afternoon with the kids by using pinecones from this craft to create centerpieces and package decorations.

To get started, gather the materials below and watch the video for craft instructions.

Holiday place setting materials: Pinecones (one for each guest at your holiday feast)
Multipurpose spray adhesive
Glitter (a color that suits your holiday theme)
Paper bag
Scissors
Ribbon
Cardstock
Hole punch
Calligraphy pen or marker
Poly-based sealant (optional)
