Need Recipes?
We have over 200--from sultry soups to bountiful baked goods.

A farm pantry serves as more than grocery storage; it's your own personal country convenience store.

When you keep the following items on hand—with some basics from the refrigerator and garden—you can whip up anything from coffeecakes for impromptu neighborly visits to a jam-making marathon.

About the Author

Lisa Kivirist keeps her pantry stocked on her farm and B&B, Inn Serendipity, in Browntown, Wis. She is the co-author of Rural Renaissance and Edible Earth.
